1 MAR 1976

MEMORANDUM FOR: Assistant for Resources, DDA

FROM : Harry E. Fitzwater,
Director of Joint Computer Support *NEF*

SUBJECT : Coordination of RD&E Program

REFERENCE : (a) Memo to A/DDA from A/DDS&T, dtd 20
Feb 1976, Same Subject(b) Memo to D/OJCS from Assistant for Resources,
DD/A, dtd 24 Feb 1976, Subject: DDS&T RD&E
Projects Related to DD/A Requirements

1. This memo is in response to your request for comments on reference a.

2. Most of the procedures described in the reference a, have been in effect during the past two years and have contributed to improved RD&E coordination. At the working level we have effective coordination between the Office of Research and Development and OJCS on RD&E projects related to ADP and computer activities. Mr. [REDACTED] Deputy Chief, Systems Engineering Division, OJCS is the primary point of contact for such matters.
